INFORMATION

Games above everything.

Free Play Arlington is a retro arcade with more than 110 of the all-time greatest arcade machines, more than two dozen carefully curated pinball machines, and delicious food and drink.

While it is imperative that every aspect of Free Play Arlington is superb, we take extreme measures to ensure that the games at our facility play as close to “factory original” as possible. No corners cut, no easy paths taken, just awesome games playing how they did 30 years ago.

THE SPACE

Free Play Arlington occupies a 8,500-square-foot space in Arlington, Texas, in Downtown Arlington, Texas, on East South Street within the Arlington entertainment district. The space was remodeled in 2017 in an “industrial chic” design scheme, using reclaimed woods, metals, and polished concrete. The venue was designed with large parties in mind and can comfortably hold parties for as many as 400 attendees.

THE BAR

Maybe we’d still have an arcade on every corner if someone had realized the obvious combination of alcohol and joysticks. We are renowned for our industry-leading selection of craft beer and can custom build a world-class bar menu tailored for your event.

What does the venue rental entail?

Free Play Arlington has no party or banquet room. Semi-private patio rentals are available during regular hours (please see our Non-Private Party Brochure and FAQs for more information). This brochure describes our full venue rental, which includes our entire facility, including both patios.

How much does the venue cost?

The venue rental fee varies based on the day and time of the rental. Please keep in mind that our location is regularly open to the public and that we must close (or prep and staff early) for your private full venue rental. Our venue rental fees are set accordingly. We do offer weekday lunch or happy-hour rentals as considerably more affordable options. Specific venue rental pricing is outlined after these FAQs.

FAQs

What do I need to do to reserve the space?

We need a signed contract and a deposit before we will reserve the space for your event.

What type of deposit do you require?

Generally, the deposit is the higher of 30% of the venue rental fee or the whole of your food costs. Venue rentals during peak hours may require a higher deposit.

When do I pay my balance?

The balance must be paid no later than 24 hours prior to the event.

What methods of payment do you accept?

We accept cash, checks, and all major credit cards. For credit card payments, Free Play will invoice you through our Square system via email (please give your preferred email on the signature page of your contract). Check payments must be received by payment due dates at our corporate mailing address (see signature page of your contract). Cash event payments may be made by appointment only.

What are your food and drink options?

We have a great many options! For food, we favor a package that consists of a massive charcuterie and crudité table, with carefully selected artisan meats, cheeses, fruits, and vegetables. In addition, we have several well-loved party platters to choose from, which feature the most popular items from our standard arcade menu. We can also work with you on a custom menu, drink package, and/or event-themed cocktail if you prefer. For drinks, we have a variety of packages from simple nonalcoholic fare to a full-blown open bar. A complimentary self-serve ice water station is provided in addition to any food and beverage selections. See below for more information on food and beverage options.

Do you allow outside caterers?

Yes. We recognize that while our food offering is perfect for a sharable, social gathering, it might not work perfectly for your more formal event. We keep a list of caterers guests have used in the past, but you are welcome to use the caterer of your choice. Any outside caterer you use will need to add us to their insurance as an additional insured for the day of the event. Please note that if you choose an outside caterer, you will still be responsible for your food and drink minimums. If your outside catering choice requires our staff to set-up buffet tables with linens, accept delivery of catering items, set-up catering items, serve, replenish, buss tables, clean-up catering items or anything similar, there will be an additional fee. Please ask your caterer what exact services will be required on our end so we can set that fee accordingly.

Do you have any minimum purchase amounts associated with the rental of your venue?

Yes. Like our venue rental fees, these vary depending on the day and time of your event. Specifics can be found with venue rental fee pricing below.

May I decorate?

Probably? Let us know what you have in mind and we'll work with you to see if we can accommodate your decorations. Tablecloths, themed plates and napkins, party favors, centerpieces and balloon bouquets are great. Anything that needs to be hung on the wall is not. We want your party to be memorable but not due to the damage it causes to our facilities! In all cases, you are responsible for cleaning up your decorations and any damage they may cause.

Can I bring in cake/other dessert?

Absolutely! Just make sure you notify us at booking that you will be bringing outside dessert.

Can I take my food home?

Any uneaten food purchased from Free Play may be boxed and removed from the premises. Please check with any outside caterer to ensure they have the same policy.

What is your cancellation policy?

Since we will announce the closure of our facility and/or begin acquiring supplies and arranging staffing for your event immediately after you reserve the space, we do not typically offer cancellations. If for some reason you believe you must cancel your event, contact us immediately so that we may explore alternative options.

FAQs

When is the final guest count due?

Your final guest count, not subject to reduction, is due 7 days prior to the date of your event. If you have not provided an updated guest count within that time frame, we will proceed with the guest count in your contract. If you need to increase your guest count within 7 days of your event date, we will make every reasonable effort to accommodate your request.

When is the latest I can finalize the other details of my private event?

All details for a private party/event must be finalized and confirmed with our staff at least 7 days prior to the party/event. Per person drink tickets and food costs are based on your guest count and are not subject to reduction within 7 days of your event. However, if you need to add additional food/drink tickets within 7 days of your event due to an increase in your guest count, we will make every reasonable effort to accommodate your request. Please note that it is unlikely we can accommodate additional food within 48 hours of your event.

Do you charge tax or a service charge?

Our sales tax rate is 8.25% and we charge a 20% service charge. Your service charge includes staff and gratuity. If you would like to include additional gratuity, whether before or after your event, please let us know.

All packages include the exclusive use of Free Play Arlington for three hours, full staffing during your party, and entry for up to 100 guests.
